VEHICLE COMPATIBILITY LIST

Please read the following warnings carefully.

- The Duofix i-Size Base should only be used with the Oyster Carapace Infant or Oyster Carapace Toddler car seats.
- This car fitting list has been compiled in great detail. However, BabyStyle accepts no liability whatsoever with regard to any inaccuracies. The list is for guidance only. For more information, contact your retailer and/or the vehicle manufacturer.
- It is highly recommended that at the time of purchase, you seek professional help from your retailer to ensure the car seat is installed correctly in your vehicle.
- If possible, always fit the base in the rear seat of the vehicle. This is statistically safer.

- If your vehicle has under floor storage compartment boxes, please consult your vehicle handbook or speak to your car dealer with regards to fitting.

- The Oyster Carapace Infant & Toddler are both approved to regulation R129 for use in vehicles marked with the I-Size logo. They are compatible with the Duofix i-Size Base in the cars and seat positions within this list, providing Isofix points are fitted.
- The Oyster Carapace Infant is also approved to regulation R44 to be used in a belted position.
